

QCPP Compliant Dispensary Refrigerators

Quality Care
Pharmacy Program

QCPP recognises purpose-built dispensary refrigerators on this list as meeting the requirement of 'Compliant Dispensary Refrigerator'.

QCPP acknowledges that refrigerators that do not appear on this list may still comply with the QCPP requirements. If a pharmacy receives a Corrective Action at a QCPP Assessment because the dispensary refrigerator(s) is not on this list, we encourage submission of a Corrective Action Review via the QCPP Customer Portal
