

QCPP APPROVED REFRESHER TRAINING

Current Approvals

This list describes activities which have been approved and are currently within their approval period.

It is designed to assist pharmacies and QCPP assessors determine what training is eligible to contribute towards the annual three hour refresher training requirement (T2C Action 2.1).

This list does not indicate that a course is currently available or that it is offered at all the locations listed, please contact the training providers listed below to find out if a course is still available.

Previous Approvals

This list describes activities which have been approved, but their approval period has expired.

QCPP APPROVED REFRESHER TRAINING

Completion of these courses during the approval period can be used to count towards a pharmacy assistant's three hour annual refresher training requirements. As the accreditation cycle is two years, activities will remain on this list for two years after the end of the approval period.
