

# QCPP Compliant Dispensary Refrigerators

Quality Care  
Pharmacy Program

QCPP recognises purpose-built dispensary refrigerators on this list as meeting the requirement of 'Compliant Dispensary Refrigerator' in Element 5 Action 4.

QCPP acknowledges that refrigerators that do not appear on this list may still comply with the QCPP requirements. If a pharmacy receives a non-conformance at QCPP Assessment because the dispensary refrigerator(s) is not on this list, we encourage submission of a Remedial Review Request at [www.qcpp.com/resources/tools/qcpp-forms](http://www.qcpp.com/resources/tools/qcpp-forms).
